REPORT

of the

INSPECTOR OF LEGAL OFFICES

ONTARIO: 1972

18th Floor,
18 King Street East,
Toronto 1, Ontario.

The Honourable Dalton A. Bales, Q.C.,
Attorney General,
Province of Ontario, Parliament Buildings,
Toronto 2, Ontario.

SIR:

I have the honour to present to you my Report as Inspector of Legal Offices for the year ending December 31, 1972.

During the past year this Ministry has continued to work closely with the Planning and Property Branches of the Ministry of Government Services concerning accommodation for our Ministry. New and improved accommodation was obtained for the Provincial Court (Family Division) at Sudbury, St. Catharines and Brantford and for the Provincial Court (Criminal Division) at North Bay and Owen Sound. Improved accommodation will be occupied shortly by the Criminal Court at Belleville and at Brampton. The Family Court will be established in Scarborough as soon as adequate accommodation can be located and the Small Claims Court in that area will also be re-located at that time. Plans are proceeding for the re-location of the Provincial Courts (both Criminal and Family Divisions) at Kitchener. The renovations to Osgoode Hall have almost been completed and this accommodation will be opened in early April, 1973. The new Court House for Norfolk County at Simcoe has been completed and the new building at London is proceeding on schedule. It will be completed in 1974.

The statistical reporting system on the activities of the courts underwent minor changes at the beginning of the year brought about mainly by the reorganization of the staff of the Statistical Data Centre. Permanent members of the Centre were established and Miss Jane Forrest, the new Supervisor developed a comprehensive reporting system for each level of court. Copies of these reports are now distributed either in whole or in part according to the area of responsibility.

It had been anticipated that there would have been greater activity in the development of a Management Information and Control System during the

year but the priorities established on other projects reduced the available Systems Development staff to a minimum. The rate of development on the statistical reporting system suffered considerably and, as yet, it has not been possible to distribute copies of the summarized statistical information to the various points of origin. However, with the reorganization of many of the functions of the Ministry taking place in October 1972, greater emphasis has been placed on the development of the Management Information and Control System and a specific schedule of work is being determined for the fiscal year 1973-74.

Of particular significance is the fact that the Deputy Attorney General, Mr. F. W. Callaghan, Q.C., has created Advisory Groups covering each level of court. Each group is composed of experienced Administrators and the purpose of each group is to bring to bear their knowledge and experience to the following terms of reference:

1. The identification and development of information criteria as an aid to the effective management of the courts—

   It is intended to develop an information system which will provide the various levels of management with selected data on the activities of the courts and of the administrative functions which will indicate level of activity and performance of the service.
2. The identification and development of standard procedures for the effective operation of administrative practices.
3. The evaluation of the need for manuals of operation, the updating or rewriting of current manuals if deemed feasible and the presentation of proposals for the continuous update of the manual.
4. To assist in the implementation of standard procedures and to train the administrators responsible for the particular function in the use of the new procedures.

It is anticipated that these advisory groups will direct their attention to practically every operational facet of the administrative functions of the courts. At the appropriate time, a review of the work completed to date will be distributed by the members of the Advisory Group to their counterparts throughout the Province. The opportunity to participate in the development of an effective operational function will be provided so that the recommendations made constitute the main opinion of those responsible for the functions.

Several areas of this Branch have, with the reorganization of the government, been transferred to other Ministries. Probation Services have been transferred to the Ministry of Correctional Services and the Registry Offices together with the central registration system required under The Personal Property Security Act, 1967, are now in the Ministry of Consumer and Commercial Relations. Some difficulty was being experienced in the transfer of this work from the County Court offices to the Registry offices but it now appears to be proceeding satisfactorily. The complete transfer should be effective in 1973. Payment of Coroners accounts, formerly the responsibility of this Branch, is also being transferred to the Ministry of the Solicitor General, effective April 1, 1973.

The use of mechanical means of court reporting was expanded further throughout the Province in 1972 and it is expected that its use will be accelerated in 1973. At the present time it is in use in the following areas:

Counties & Districts

Courts	4—electronic equipment
	15—stenomask
Special examinations	15—cassette equipment

Some problems are still being encountered in the preparation of transcripts but these are followed up as soon as they are drawn to the attention of this Ministry.

In August the Provincial Court (Family Division) completed a comprehensive study and analysis. The report charts every aspect of administration, resource and service of the Courts throughout the Province from January 1, 1968, when the Province assumed full responsibility, to December 31, 1971.

During this period the number of full-time Judges increased from twenty-three to thirty-four. By the end of 1972 there were thirty-eight full-time Judges serving the Family Courts. Twenty-two Judges serve both the Criminal and the Family Divisions in the more remote areas of the Province. Staff serving the Courts full time increased from 168 to 236 to the end of 1971. Authorized full-time complement in 1972 numbered 254 with an added detention/observation home complement of 84 employees.

One section of the report projects the anticipated caseload and administrative resources required thereby to 1978. A further section projects the administrative resources required in event jurisdiction of the Court were expanded to include such matters as adoption, divorce, matrimonial property, an increase in the age respecting juvenile delinquency, etc.

Developments in the law and the social sciences have continued. In order to maintain advanced expertise a special training program for Judges has been designed and will be initiated in early 1973. Similarly, the special role of staff in dealing directly with Court clientele, together with new administrative techniques, have instigated the development of a training program for Court Administrators. This will also commence in the early months of 1973.

Of a total of fifty-four Court offices, twenty-two have now instituted a program whereby the staff supervise maintenance accounts and initiate proceedings for the collection of arrears. Sixteen Courts have commenced a partial system of enforcement. The increase in the amount of payments collected on behalf of deserted wives and children is most rewarding. It is planned to develop a system of full enforcement of maintenance orders in all of the Courts in the coming months.

Work commenced on the design of a new modern detention and observation home for the City of London. The design will incorporate the most advanced principles of juvenile detention and observation and provide an opportunity for meaningful program planning in co-ordination with mental health diagnostic services. A new "residential" type of detention home was established in Sault Ste. Marie. Towards the end of 1972, negotiations commenced for the provision of a detention home of a residential type in Kingston.

The Rules Committee, under the Provincial Courts Act, spent many hours grappling with numerous difficult problems respecting administrative procedures with a view to developing uniformity of process and administration. In addition, it prepared a draft set of forms and rules of practice and procedure under the present Deserted Wives' and Children's Maintenance Act.

Improvement has continued in the techniques for the gathering and analysis of information. For example, a system of monthly reports from each Family Court has now permitted the development of a "trend" analysis. Monthly reviews thereof allow a distribution of resources and variation of procedures to meet changing needs

The volume of work in the Provincial Courts (Criminal Division) particularly in the urban areas, is becoming very heavy and the Attorney General designated a committee composed of Chief Judge F. C. Hayes, C. M. Powell, Senior Counsel, R. H. Humphries, Registrar of Motor Vehicles and the writer, to look into alternative methods of trial and disposition for offences under provincial statutes and municipal by-laws. The Committee has made extensive inquiries with regard to the system used in other areas, has reviewed various publications concerning traffic courts and traffic laws, has surveyed and isolated the problems in this area and will be reporting to the Attorney General in the near future.

Our Associations again held study seminars, regional meetings and committee meetings throughout the year. Regional meetings are also being developed for the Court Administrators in the Provincial Courts (Criminal and Family Divisions). Mr. W. A. O'Leary, Training Officer in this Ministry, has been of great assistance in this regard. The following is a list of officers of the various Associations for the coming year:

The volume of work in our offices continued to increase and with the restriction on personnel the services rendered to the public were, I feel, of a very high calibre. The report of the Law Reform Commission on the Administration of Ontario Courts is expected shortly and may result in many changes in our court system. It may dramatically affect the present structure of our offices.

A number of changes in personnel during the past year should be noted. Seven appointments were made to the County Court Bench—J. L. Boland in York, K. H. Fogarty in Ottawa-Carleton, G. F. Gardner in Lambton, J. A. Winter in Elgin, C. Zalev in Essex, G. J. Sullivan in Wentworth and J. F. McCart in Middlesex. Judge M. J. Moriarity of Wentworth passed away and five judges retired—J. A. Sweet of Wentworth, J. F. McMillan of Elgin, H. D. Lang of Perth, J. C. Anderson of Hastings and E. W. Grant of Peel. Judge T. G. Zuber was appointed to the Supreme Court. Chief Judge A. O. Klein was appointed Crown Attorney for the Judicial District of York and was replaced as Chief Judge by F. C. Hayes. In the Provincial Court (Criminal Division) Judges J. R. Black of Halton, J. V. Fregeau of Kenora, and R. Vincent of Ottawa died during the year. Judges T. Y. Wills of Hastings, W. R. Kennedy of Simcoe, P. C. Bergeron of Cornwall and S. T. Bigelow, R. C. Taylor and P. J. Bolsby of Toronto, retired. The following judges were appointed—D. V. Latimer of Halton, J. L. Clendenning of Hastings, S. J. Nottingham of Kenora, W. F. Fitzgerald of Sudbury, B. Ryan and P. D. White of Ottawa-Carleton, and C. J. Cannon of Toronto. A Falzetta of Sudbury was appointed

Senior Judge in place of W. F. Woodliffe, retired. In the Provincial Court (Family Division) T. L. Docherty was appointed in Essex County, G. M. Thomson in Frontenac and S. J. Nottingham in Kenora. In the Sheriffs, Local Registrars group the following retired—G. R. Lee in Algoma, Mrs. J. Clements in Huron, J. W. Raine in Peel, W. R. Somerville in Simcoe and E. G. Scott in Victoria. Sheriff P. Upper was appointed in Algoma, F. Jewell in Huron, R. Lent in Peel, J. K. Maddox in Prince Edward, G. Pepper in Victoria and Mrs. M. Allcroft in Waterloo.
